Welcome

The University of New South Wales Kensington campus is in the eastern suburbs of Sydney.

Sydney Buses services link the University with the City, other suburbs, airport and the major transport interchanges of Central, Circular Quay and Bondi Junction for connecting rail, ferry or bus services to other destinations. Express bus services operate between UNSW and Central and Circular Quay during the university sessions. During university vacation, regular bus services are available.

Sydney Buses operating areas

Sydney Buses operate in Sydney and surrounding suburbs. This operating area is divided into four regions. Please refer to the individual Region Guides which list the bus routes, suburbs, shopping centres, points of interest and other destinations within the region to help navigate your way around the region map.

You must have a ticket before you board a PrePay only route or when you board any route at a PrePay-only bus stop.

You can buy a ticket from any of over 1,500 tickets across metropolitan Sydney, including newsagents, convenience stores, 7-Eleven stores, Australia Post Shops and tobacconists.
